Tasting notes

This typical Riesling from the Valley Ruedesheim Berg Roseneck presents with exotic yellow fruits, flowery, vineyard peach with a hint of herbs. Sweetness are well balanced on the palate and give the wine a nice creaminess. The high minerality is typical for Ruedesheimer Berg Roseneck and shows a long life for this Riesling

Vineyard

The grapes for August Kessler's Riesling "Rüdesheim Berg Roseneck" come from our single vinyard sites Rüdesheim Berg Roseneck. The sites in Rüdesheim are characterised through slate, quartzite, loess and loam.

Vinification

Our grapes are hand-picked and go through another selection process afterwards. Each parcel is vinified separately. Shortly before bottling we will assemble the cuvee. The 2007 vintage has been manufactured in stainless steel in our double stored cellar from 1792.

The Estate

When August Kessler took over his parent's establishment founded in 1924, he was only 19 years old. Back then, mainly bulk wine was produced and the area covered was not larger than 2,5 ha. Under August Kessler's guidance the estate has become one of the flagship ones of the Rheingau area. Down to the present day it has also acquired high international reputation. Today the vineyard estate contains 22,5 ha in some of the best Rheingau sites like: Assmannshäuser Höllenberg, Rüdesheimer Berg Schlossberg, Rüdesheimer Bischofsberg, Rüdesheimer Berg Roseneck and Lorcher Schlossberg. We produce 60 % Riesling and 40 % Pinot Noir. We are a member of the VDP and the German Barrique-Forum. Max Himstedt is the estate's most experienced and ambitious winemaker who pushes forward the production of word class wines.

For a couple of years August Kessler and especially Max Himstedt have been joined by another ambitious and young oenologist: Simon Batarseh. Together with the first two mentioned and the whole team, Simon is going to lead the estate into the future. Thus, the course is set to keep producing quality wines at the highest stage.
