## TAHUAN CABERNET SAUVIGNON 2018

---

**Varietal Composition:** 100% Cabernet Sauvignon

**Alcohol:** 13.6%

**Ph Levels:** 3.72

**Residual Sugar:** 2.2 g/L

**Oak Aging:** 70% of French oak and 30% of American oak of second and third use for 10 months.

**Vineyard Location(s):** Tunuyan, Vistaflora/Altamira, San Carlos.

**Tasting Notes:**

Intense aromatic expression with spicy notes of raspberry jam and hints of paprika. Sweet and delicate entry, crisp acidity in harmony with round tannins, and well-integrated oak that is expressed in vanilla and chocolate flavors invite you to continue drinking. A rich and warm complexity ends in a long, unctuous finish.
