REVIEW

"The 2023 Chablis Les Clos Grand Cru has a more expressive bouquet than the Les Preuses at the moment: crushed stone intermingles with hazelnut, hints of chalk and glimpses of yellow plum and Vervane. It coheres beautifully in the glass. The palate is more involving than the Les Preuses, perhaps edgier. A complex and very saline finish gets the saliva flowing. It seems to revel in being Les Clos and has one-up on Les Preuses at this prenatal juncture."

ABOUT THE WINERY

Domaine Vincent Dauvissat is arguably the finest Domaine in Chablis. Established in the 1970s by Robert Dauvissat, the Domaine has passed down from father to son for three generations. Robert's son René is to thank for establishing the reputation of the Domaine. Vincent began working with his father, René, in the 1970s and today runs the Domaine. A loyal following among France's most esteemed restaurateurs sharply limits the availability of Dauvissat wines for export. Despite limited quantities, the wines have attracted the praise and attention of critics worldwide.
