REVIEW

"Subtle aromas of red fruit and flower lead into turned earth and a cherry-tonic touch on the nose of this bottling. There's a gritty, intense texture to the palate, where rounded flavors of strawberry, red plum and hibiscus are fired up by spicy cracked-pepper pinches. — Matt Kettmann"

ABOUT THE WINERY

Tablas Creek is a pioneer of California's Rhône movement. Founded in 1989, it is the culmination of a friendship between two of the international wine community's leading families dating back to 1967: the Perrin family of Château de Beaucastel and the Haas family of Vineyard Brands. After a four-year search, the partners chose Paso Robles, California for its many similarities to the Southern Rhône and began the lengthy process of importing vine cuttings, building a grapevine nursery, and creating an estate vineyard from the ground up. Today, the vineyards at Tablas Creek are proudly Biodynamic® and organic certified by Demeter USA.
