REVIEW

Editor's Choice "This Rhône blend of 47% Grenache, 30% Syrah, 15% Counoise and 8% Mourvèdre recalls the charming wines found on so many unassuming European tables. Roasted cranberry, sour cherry and rose petal aromas lead into a bright, appropriately tense palate of snappy raspberry, cracked pepper and crushed thyme. — Matt Kettmann".

ABOUT THE WINERY

Tablas Creek is a pioneer of California's Rhône movement. Founded in 1989, it is the culmination of a friendship between two of the international wine community's leading families dating back to 1967: the Perrin family of Château de Beaucastel and the Haas family of Vineyard Brands. After a four-year search, the partners chose Paso Robles, California for its many similarities to the Southern Rhône and began the lengthy process of importing vine cuttings, building a grapevine nursery, and creating an estate vineyard from the ground up. Today, the vineyards at Tablas Creek are proudly Biodynamic® and organic certified by Demeter USA.
