### ABOUT BULLETIN PLACE

Bulletin Place inspired by the historic building site, located along the famous Sydney harbor. Built in 1816, later becoming one of the best known wine houses.

### VINTAGE CONDITONS

The 2024 season overall produced wines that showcase vibrancy, freshness, and classic varietal flavours. The season received some rainfall in January which helped to retain soil moisture and freshen the vines for the growing season.

### WINEMAKING

The fruit is harvested at night and upon receipt, the fruit is immediately crushed and destemmed, then gently pressed in pneumatic bag presses, clarified and fermented. Partial ferments are sulphured and centrifuged clean, while others remain on light lees for added texture. The wine is then blended, fined, stabilised and filtered ready for bottling.

South Eastern Australia
