ABOUT BULLETIN PLACE

Bulletin Place inspired by the historic building site, located along the famous Sydney harbor. Built in 1816, later becoming one of the best known wine houses.

VINTAGE CONDITIONS

The 2024 season overall produced wines that showcase vibrancy, freshness, and classic varietal flavours. The season received some rainfall in January which helped to retain soil moisture and freshen the vines for the growing season.

WINEMAKING

The fruit was machine harvested at night, crushed and pressed. The juice was immediately clarified and then fermented at cool and steady temperatures. Blending, fining and filtration early helps to maintain freshness and the youthful characteristics of this Sauvignon Blanc.

REGION

Riverina, NSW.
