

LA FERME DES FONTAINES PET'NIGHT ROSÉ

Pet'Night Rosé is a natural sparkling wine, also known as a “Pétillant Naturel” in french, or “Pet Nat”. It is made of Cabernet Franc, that completes La Ferme des Fontaines range.

Grape Variety: Cabernet Franc 100%

Classification: Organic and Demeter

Harvest: The grapes are harvested by hand, carefully sorted on the vine and on a sorting table before pressing.

Vinification: Our “Pet'Night Rosé” uses the “ancestral” method, one of the oldest for making sparkling wines. The grapes are pressed in whole bunches to collect the juice. After light settling, alcoholic fermentation begins in vats, and the “juices” are bottled for natural foaming. The Disgorgement was made in the spring following the harvest.

Tasting Notes: You have discovered the White “Pet'Night”; here is the Rosé version. This natural sparkling wine is an authentic “GlouGlou wine,” ideal for an aperitive. With its fine refreshing bubbles, its small notes of red fruits, and a delicate bitterness. This sparkling wine will be suitable for a great evening pre-amble... just like we love !

Service: 48°F
